Classic fitting room – now with fabric sides

Classic fitting room – now with fabric sides

Our classic fitting room range is now also available with fabric sides instead of solid melamine sides. It comes with a black frame, black fabric sides and a black curtain – a light, timeless fitting room that suits most shops.

The fabric sides are made of heavy-duty cotton.

Available with one, two or three fabric sides that can be combined and extended as needed.

A freestanding Flex fitting room gives you many options:

Frame in black. W100 x D100 x H210 cm.
